Re: Freedom of Information Law (FOIL) Request Dated 4/2/07

Dear Mr. Newman:

I am writing in response to your FOIL request dated April 2, 2007, pursuant to which you requested copies of records pertaining to assistance provided to DEP in 2002 by OSHA with regard to "contract language to address safety and health issues above and beyond OSHA standards."

A search has been made in the records maintained by DEP and the records located which are responsive to your request have been copied onto a CD, which is enclosed.

Your patience in regard to this matter is appreciated.

Sincerely,

Russell Pecunies
Assistant Counsel
